Re: Children's National Medical Center Fairfax ROC

Dear Will,

I want to take this opportunity to thank you and the Dominion Mechanical team for your efforts on the Children's National Medical Center Fairfax Regional Outpatient Clinic.

I have worked with your firm a number of times through the years and have found that each project is managed professionally and honestly. This project was no exception.

Please pass on our sincere thanks to all of the dedicated employees at Dominion Mechanical, as well as your subcontractors. We look forward to working with you and continuing to build our relationship on future projects.

Sincerely,

Scott-Long Construction, Inc.
